(Abysses)

01/12

Light in the dark,
the depths cry out in silence,
the abyss traps all.

02/12

Into the abyss,
the roar of speed shatters air,
everything breaks.

03/12

Hidden bag,
the weight that never breathes,
sin sinks deeper still.

04/12

The sea caves in,
a silent scream in the void,
anguish explodes.

05/12

A thread suspended,
mystery entwined within,
hidden paths unfold.

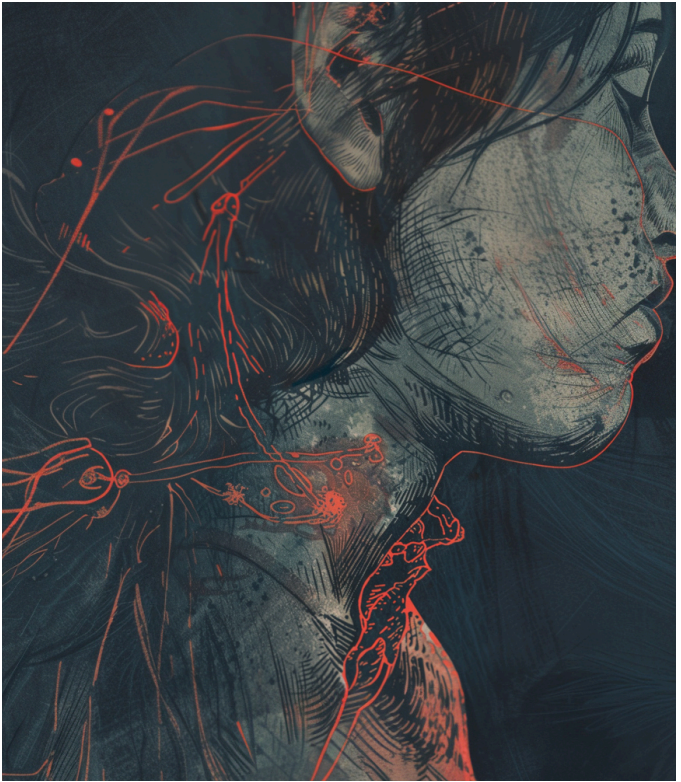

06/12

Shadows extend,
a shape hides within the depths,
the moment cracks wide.

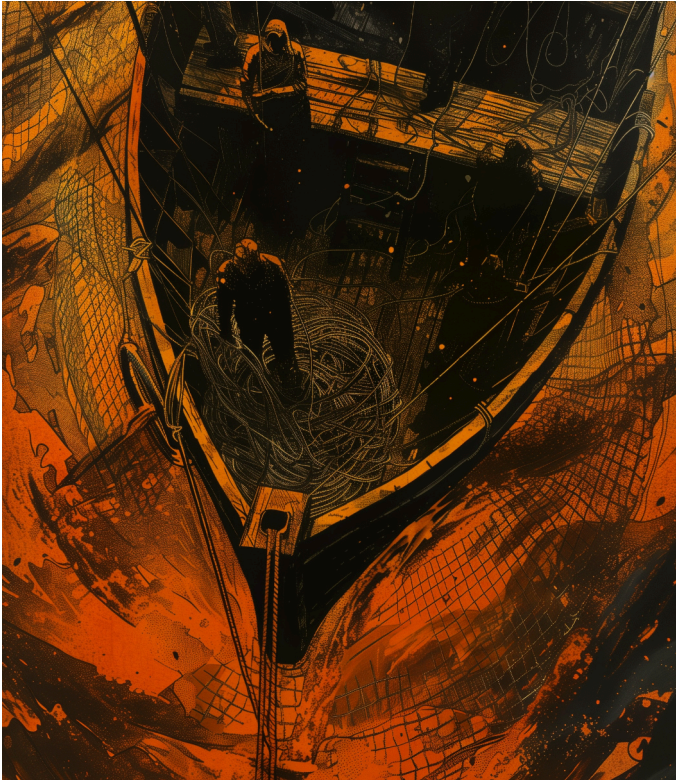

07/12

Amid thick shadows,
the storm drags itself forward,
the sea takes a breath.

08/12

A soft brush,
skin recoils in fear,
the water shivers.

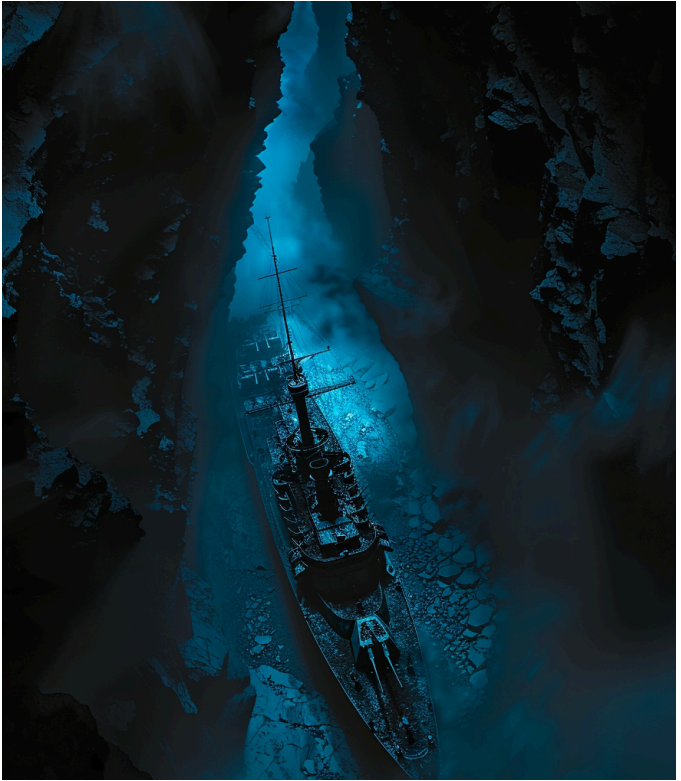

09/12

Flesh stains the blue,
the sea silences the killer,
tough skin in the sun.

10/12

Water wreaks havoc,
invading every corner,
all falls into mute.

11/12

Sunken remains,
the abyss holds a secret,
iron and memory.

12/12

Beginning or end,
a figure dissolves in blue,
the sea keeps it all.
